Dear Carolyn :

For at least 25 years, The Canadian Real Estate Association and organized real estate as a whole have benefited from your time, your talents and your dedication to promote the professionalism and the quality of your fellow REALTORS.

In a field where the turnover is at times very high, your perseverance is an inspiration to all of us. Some 25-year veterans have inspired us by leading organized real estate at the local, provincial or national levels. Others have inspired in less tangible but equally significant ways.

You have earned CREA's heartfelt appreciation, which we would like to extend to you by way of this attractive certificate. It is our pleasure to recognize and honour your accomplishments and your many years as a member of CREA. Please accept this certificate as a small token of our great appreciation.

And may your career in real estate continue for many more years.
