

NORTH VANCOUVER MARKET UPDATE

‘Talk from Don’

ANOTHER GREAT YEAR

It’s hard to believe that the value of homes in North Vancouver are up over **140%** over the past 10 years!

Sales for 2011 were 1,191 homes in North Vancouver, which is substantially more than the 944 that sold in 2010. However, it was only marginally better than West Vancouver, which came in with 1,163 homes sold for 2011. It was a record high sales year for West Vancouver as the Mainland Chinese moved into town!

The highest number of sales in North Vancouver over the past 15 years was 1,388 in 2002, and the lowest was 828 in 2008, with the average over the time period being 1,140 per year.

As always, it remains an exciting time in the real estate market here on the North Shore. If you’d like more details, or have questions or comments, please contact me directly at 604-889-9449 or don@doneilers.com.
