

New Brunswick's Feng Shui Real Estate Specialist

I would like to take this opportunity to welcome you as a client.

We service most of southeastern New Brunswick including the Greater Moncton area (Moncton, Dieppe, Riverview) as well as the coastal communities along the Northumberland Strait from Bouctouche to Cape Tormentine (incl. Shediac and Cap Pele). We have extensive knowledge of the waterfront properties in our area and market them in 47 different countries.

When you choose me as your Realtor you get a knowledgeable and professional sales person. I am a graduate of the Western School of Feng Shui (San Diego, Calif.) and have an honours diploma in Interior Decorating; for the past 16 years I have used these tools to help clients stage their property for success.

It will be a pleasure to assist you in buying or selling a property. Thank you for browsing my web site.
