

# Vancouver College Alumni Association

## Alumni Reunion Planning Kit

The Alumni Association welcomes your interest in organizing a graduate class reunion. Reunions take place throughout the year for grad classes of 5 years ago, 10 years ago, 40 years ago, or any variation in between. The VCAA has a complete grad contact list, and will be able to supply you with contact information for your class.

Please take a minute to fill in the information below and send it to the Alumni Association. We will help you get started and do everything we can to help make this a great event. Also take a look at the information in the next couple pages for some ideas. Contact Tom Falizewski, '74, Reunion Director for more info at 604 612 5603 or fill out this form and send it to [info@vcalumni.com](mailto:info@vcalumni.com).

## So What Should We Do On Our Reunion?

- Plan an evening in the Alumni Room (pizza and beer or a full catered dinner). Take the opportunity to tour the school
- Plan a Pub night
- Organize a golf tournament or enter into the Alumni Golf Tournament in September
- Organize a BBQ at someone's house or in a local park. Set up a softball game, flag football game or some other game
- Pair up with your counter parts at Little Flower Academy (or York House or Crofton house) to plan a joint event
- Invite a favourite teacher or coach
- If your year was well connected in your era, invite classmates in the year before and after to join in
- For those that can't make it, encourage them to send in a bio of what they're up to with a picture or two (email with digital pictures works best although regular mail works if you have lots of lead time). Have these printed out and circulate them at one of your events
- Make a group donation to the Blessed Edmund Rice Annual Fund with the VC Millennium Foundation
- Organize an evening Boat Cruise
- Take lots of pictures. Make sure you get a group picture. Send them out to the entire class (again email works best)

# Alumni Venues
