Redefining Luxury Living. Casa Kai is an ultimately contemporary, eco-luxury home, conceptualized by renowned architect Steve Berman and the Tokase Architectural team. Majestically situated on an oceanfront Cliffside on a private cul-de-sac, in the exclusive community of the Pedregal, this home takes a minimalistic approach, incorporating the natural elements of fire, water, air and light to create a breathtaking work of art. This masterpiece includes 6 bedrooms, 7 full and 2 half baths, 2 swimming pools, custom, one of a kind furnishings made from eco-friendly sustainable materials and Smart technology throughout the home. Construction to commence early 2009, call for a virtual tour and more information.
