

## Price List

(All fees are subject to HST and mailing charges if applicable)

### Digital images

(The museum will provide you with the digital image, it is up to you to arrange for it to be printed, should you wish to do so.)

**The Museum has many photographs that have already been digitized – some of these are available for viewing on our website -still more can be seen at the Museum itself. The digitized images cover most areas of Whistler’s history. However, if you are looking for something very specific and Museum staff has to spend time searching for the image and then digitizing it then a \$30 extra fee will be added to your order.**
