

# HOLYWELL PROPERTIES

TEAM 2011

## *Congratulations Barbie and Shay!*

Holywell Properties is proud to announce that Barbie Whitworth and Shay Moudahi have been recognized as MLS® Medallion Club REALTORS® for 2011 by the Real Estate Board of Greater Vancouver. MLS® Medallion Club designations are awarded each year to the top 10% of REALTORS® in Greater Vancouver. For 2011, a REALTOR® needed 22 completed transactions in order to make the grade. Barbie and Shay had 33. The MLS® Medallion Club is an elite group that every REALTOR® hopes to one day join. What makes Barbie and Shay's achievement even more impressive is that 2011 was their first full year in the business. It is an achievement that is almost unheard of. How did they do it? Hard work. Every day of every week you will find Barbie and Shay at open houses, out knocking on doors or coming up with new ways to promote their clients' properties. Barbie and Shay will not stop working until their clients are completely satisfied. If you have a property to sell or are looking to buy in 2012, call Barbie and Shay!
