Description

At last...you've been waiting for a house like this for a long time! A traditional layout with 4 bedrooms upstairs – yes 4! Enjoy city views from your south facing master with ensuite. The main floor ticks all the boxes – open kitchen to eating area & family room with sun drenched covered deck; formal living and dining rooms + an office. Before you ask...yes, the lower level can be suited! It has a bedroom, full bathroom and the large rec room could easily accommodate a kitchen, or keep it as is – an awesome man cave or play area! Located on a beautiful, flat, tree lined street in Upper Lonsdale where the kids can ride their bike and play hopscotch. Take your pick from schools just a short walk away, Larson, Holy Trinity and Andre Piolat. Welcome Home.
