**TANK SEARCH REPORT
RESIDENTIAL UNDERGROUND STORAGE TANK**

DATE: May 28, 2012
CUSTOMER: Emily Chan
SITE LOCATION: 2954 WEST 33RD AVENUE, VANCOUVER, BC
SEARCH FEE: **75 + HST = \$84.00**

Tri-City Tank Tech performed an underground storage tank (UST) search at the above property, using the best equipment available that include:

- Visual investigation of the property
- Manual probing of the property
- Electronic metal detection locator

Our investigation concluded that to the best of our knowledge, a buried underground furnace-fuel storage tank **does not exist** at the property of the above stated address.

Please note that while our detection service may determine that an underground storage tank, and/or contamination do not exist on a property, Tri-City Tank Tech cannot guarantee 100% that the event of an undetected tank and/or contamination does not exist.

We are confident that our equipment is accurate in its investigation results. If you have any questions or concerns regarding the above, please contact our office.

Sincerely,

Terry Kennedy
President
