Dear Sir/Madam:

RE: Occupancy Requirements -
Dwelling Located at 1764 Amblegreen Boulevard
Building Permit No. 24654

Our records show that the subject dwelling was approved on December 15, 1981, for temporary occupancy, with the electrical installation requiring final approval.

Please be informed that final electrical approval was granted on December 23, 1981 and that the dwelling received final occupancy approval as of that date.

Yours truly,

C. van den Broek
Superintendent of Building Division
