WHITE ROCK
City by the Sea!

WHITE ROCK BEACHES

White Rock Beach is located just two miles north of the US border and only 35 minutes south of the City of Vancouver, BC. White Rock is known for it's sandy beaches, stunning sunsets and fair weather. The 1,500 ft. long White Rock pier is a favorite destination spot for tourists and residents, and the 2.5km long beach promenade promises strollers a refreshing walk and connects west beach and east beach at the ocean's side. West Beach is the hip and trendy Laguna Beach of the lower mainland, with ocean view bistros, fine restaurants, live music waterfront musicians, artists and fabulous shopping that extend along Marine Drive.

East Beach is the closest White Rock Beach to the US border with both the Semiahmoo Park and Reserve as it's neighbors. East Beach is the quieter side of White Rock and has a familial ambiance that appeals to the young and old alike. You may enjoy fish & chips on the beach, visit Marine Drive shops and galleries or dine in at one of many White Rock restaurants.

Crescent Beach in nearby South Surrey, is located at the end of Crescent Road near the northern end of Semiahmoo Bay and the mouth of the Nicomekl River'. This beach has a more rustic, natural feel with a graveled seaside promenade, quaint ocean side homes, and a variety of bistros that will please most every palate. **Crescent Rock Naturist Beach** is just South of Crescent Beach. You walk past the 101 steps metal staircase (West end of 24th Ave) until you get to the Crescent Rock Boulder. It's like the White Rock, but a little smaller, only 120 tonnes! Just past this point and for the next 200m is Crescent Rock Naturist Beach.
