REGARDING Status of Envelope Rehabilitation

MESSAGE

We are writing to report on the status of the Building Envelope Rehabilitation work undertaken at:

7168 Oak Street in Vancouver

Building Permit Number BU 431058

The work is approximately 97% complete with the exception of some at-grade waterproofing corrections required at the base of the wall. This work has been deferred until the spring when the areas can be cleared and waterproofing work completed under dry conditions.

Once this is complete the sign off paperwork will be forwarded for your review. Please do not hesitate to contact the writer with any questions or concerns.
