

Welcome to 102-951 Goldstream Avenue!

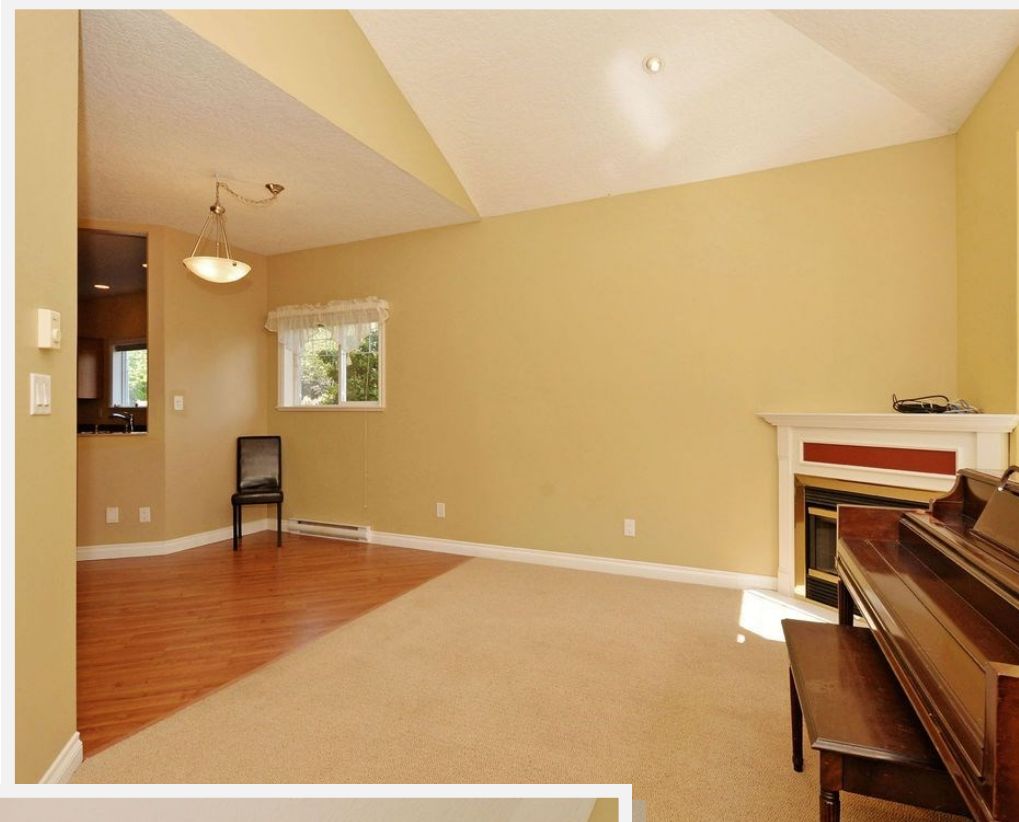

"We loved the diverse neighbourhood. A real sense of community thrives here. Kids play in the street, retirees enjoy a peaceful place to enjoy their leisure time and neighbours support each other. It is a great place to grow and thrive."

"Features of this home that we particularly enjoy are the uniquely shaped rooms, and vaulted ceilings which make the home very bright and feel spacious, while maintaining a cozy atmosphere that makes a home feel snug and warm."

"The west facing patio that leads off the dining room has been a lovely place to sit and watch the sun set, or enjoy entertaining with family and friends."

"The area has everything! Walk to school, transport, shops, entertainment! It's been great not having to use the car!"

Sparkling living space

Vaulted ceilings and cozy corners,
make this room dynamic!

The sunshine brings in a
vibrant feel of energy and space.

The unique angles offer the
opportunity to make cozy corners
and quiet relaxing hide-a-ways.

A diverse haven of comfort and
pleasure.

Glitzy Kitchen

You will not stop finding the treasures in this home.

What a kitchen!

An inspiring expanse of counter top space, fully equipped with stainless steel appliances and definitely room for too many cooks.....

The plethora of cupboard space and room here will ignite your culinary creativity.

And the layout unmistakably draws you towards the dining area and patio.

The ebb and flow of entertaining can be accomplished so effortlessly, your guests will suspect you catered!

Definitely a jewel in your crown.

Exclusive Suite

The master bedroom suite is fully self contained.

It will easily accommodate all your bedroom furniture (and leave you room to move).

The sizable, picture window making it resplendent with sunshine and light.

The feature walk in closet provides unrestricted room for all your things.

And the master bedroom ensuite bathroom is a surprise and a delight.

The large sky light floods the whole room with natural light - great way to wake up in the morning!

This full sized bathroom will be a place you will enjoy relaxing in the tub, or freshening up in the shower.

No small rooms here.....

The additional two bedrooms upstairs are both a very generous size.

No “closet” sized bedrooms here.

One bedroom also has a walk in closet - perfect for that teenager who needs lots of storage space!

Definitely room for all the family
- or room for a growing family.

With the three bedrooms upstairs, and an additional FULL bathroom upstairs too, the layout here is perfect for a ANY family.

With built in closets in the bedrooms and even more storage space in the hall way, you won't be falling over toys or clothes (really!).

Make yourself at home.....

A quiet and pleasant setting.

The patio encourages you to sit, relax and make yourself at home!

In a neighbourhood that has so much to offer, and all in such convenient proximity.

Find your favorite coffee shop, watch your favorite movie, walk to the fresh local produce market, ride the free Langford Trolley to wherever you want to go - you won't want to be anywhere else.

Live Langford. Live Better.
