

DIRECTIONS to OTHER Common Areas.

The workshop room and games room are accessible through a request system.

New owners can request to have their fob re-assigned to access these rooms if they like.

The games room is currently closed due to being used as a storage area while the building is clearing out some strata and storage rooms.

EACH Floor has TWO **Laundry rooms** – with two machines in each – at either end of the hall way.

EACH Floor has a **Garbage Shoot** (except the first floor) to drop the garbage into the bin.

Mail Room is on the Main Floor in an alcove room to the LEFT of the elevator.

There are TWO **Bike Areas** – as soon as you enter the first Main Door and to the LEFT of the elevator.

Storage Room – 1-16. This is located on the “P” level – same floor as Parking. When you come out of the Elevator, turn LEFT and down the hall is a door marked 1-16. The “Storage” key opens this. The locker is down the corridor and turn to the left and on the left – marked 308.

Games and Workshop Rooms - These are located on the “P” level – same floor as Parking. When you come out of the Elevator, turn LEFT and just down the hall is the “Games Room” on the Right; and the “Workshop” is on the Left.
