Parcel boundary dimensions are derived from plan EPP12353.

This plan was prepared for mortgage or building permit purposes and is for the exclusive use of our client. This document shows the relative location of the surveyed structures and features with respect to the boundaries of the parcel described above. This document shall not be used to define property lines or property corners.

This document has been prepared in accordance with the ABCLS Professional Reference Manual and is certified correct this 16th day of September, 2014.
