Stunning executive four bedroom family home situated on a cul-de-sac in the sought after neighbourhood of Alton Village. Elegantly appointed with pillar details, open concept design & luxury finishes. This lovely home features upgrades throughout including hardwood floors and wood banister, built-in sound speakers, pot lighting, professionally built two storey deck and more.

The gourmet kitchen has rich wood cabinetry, stainless steel appliances and quartz counter tops. For easy everyday living, the spacious kitchen also offers a separate breakfast area with walk-out to the deck overlooking the creek and park. The open concept great room is warmed by a central gas fire place and features dark hardwood floors and a bright open concept design overlooking the backyard gardens and ravine. Depending on the preference and living style of the home owner, the great room can be used as one large family room or a combined living room and formal dining room.

The spacious master suite is a retreat onto its own with walk-in closet and five piece ensuite with double sink, soaker tub and glass shower. The second level further offers a walk out balcony, open concept office area, four piece washroom, laundry room, and three spacious bedrooms with closets and bright windows.

The lower level is fully finished with an open concept recreation room, engineered hardwood floors, and walk-out to the deck and gardens.

The outdoor space is perfect for entertaining with an outdoor dining area on the upper deck with stunning views of the creek and park, and private lounge area on the lower deck. This home is not to be missed, just move right in!
