Description

Astonishingly efficient PERFECT two bedroom home at Vancouver landmark Vancouver House, a well run luxury building. Blending the convenience of waterfront seawall living with sophisticated luxury, 3307 features soaring water and city views from way up on the 33rd floor. Light pours into the kitchen and spacious living room from the south east facing huge 125 square foot balcony. The master features wall to wall and floor to ceiling windows for the perfect PRIVATE city and mountain views, as well as a highly efficient pass through walk in closet on the way to the spa inspired master ensuite with SEPARATE soaker tub. The second bedroom SHARES NO WALL with the master and features its own cheater ensuite, as well as panoramic water views. 1 parking, 1 storage.
