Description

Spectacular 180 degree uninterrupted forever views from Vancouver Island to New Westminster from way up on the 30th floor on the QUIET and open side of reputable developer Townline's gorgeous Sussex building. This beautiful two bedroom, two full bathroom corner AC home has the most luxurious floorplan in the building, blending large bedrooms with a usable office, as well as delineated dining and living rooms with a large stand alone island - PERFECT for entertaining! This home comes with the ultimate outdoor entertaining space, with built in lighting and gas firetable, and also features some of the most tasteful upgrades you have ever seen: gorgeous natural hardwood floors, remote blinds, Italian tile and so much more. PLEASE ask for the long list of upgrades! TWO parking & 1 storage.
