### Description

Architecturally designed by award winning designer Ben Leavitt, and fully renovated to the most exacting standard, this 4 bedroom plus office, 3 full bathroom luxury mansion in the sky occupies an entire half of the 14th floor. With water, city and mountain views, every detail has been carefully thought out and masterfully crafted. Premium Daikin air conditioning and filtration system, premium Sub Zero and Miele appliances, genuine Italian Bocci lighting, double layer Quiet Rock sound insulation. The layout features a living wing with primary bedroom as well as second and third bedrooms, and a guest bedroom and bathroom on the opposite side for exceptional privacy. A master chef's kitchen, huge dining room with bar, as well as a spacious living room and office.
