Description

HUGE SPACE! HUGE BALCONY! Bright and spacious home with the perfect layout with ZERO WASTED SPACE in a meticulously maintained, new building in the heart of the River District with a massive 200 square foot COVERED balcony right off the living room. The perfect layout gives you a HUGE living room and dining room, allowing you room for a full size dining room table. The two spacious bedrooms are on opposite sides and do NOT share walls and the chef's kitchen features premium KITCHENAID appliances including a GAS stove. Luxury spa inspired bathrooms offer RADIANT HEAT. Access to unparalleled amenities including full gym, party room, 2 guest suites and more all within minute's walk to all the best of ultra convenient River District! One locker, one parking.
