Description

No longer available. Perfectly maintained and renovated HUGE 2,400 sq. ft. 6 bedroom family home with 3 bedroom rental suite downstairs on a quiet side street. Upstairs features a huge and bright living room and dining room with wood burning fireplace, three spacious bedrooms, with two bathrooms and a large, bright kitchen with new laundry machines right beside the large covered back deck - perfect for BBQs or just relaxing. Downstairs features a three bedroom suite with newer renovated kitchen and it's own separate laundry room. New floors, paint, second laundry, newer kitchen, furnace and so much more. This perfect Vancouver Special layout gives you the options of keeping the living room for use of the upstairs or renting out with the suite!
