The PERFECT family home! Meticulously maintained and upgraded huge 1,500 sq. ft. four bedroom family townhome on the QUIET side of the complex with PRIVATE fenced back yard in an incredibly central location. The perfect layout feels just like a detached home. Light pours into the large kitchen with new appliances, spacious dining and living rooms, all of which look out onto the south west facing back yard. Upstairs features a huge master bedroom with generous closet space, as well as two other large bedrooms and an updated 4 piece bathroom. Downstairs features an additional bathroom as well as laundry and a huge open space - perfect for a bedroom, rec room or large workshop. Rarely do homes of this size, in this condition become available. Don't wait. Offers reviewed on Tues. Feb 22.
