Description

OPEN HOUSE CANCELLED - The perfect bright and spacious family home all on one level! This spacious 3 bedroom plus den and two full bathroom home has EVERYTHING you need and want! A bright and spacious living room with HUGE skylight, a large open den for studying or home office, a large renovated open concept kitchen with granite countertops and backsplash, SS appliances connected to both the dining and eating areas all looking out onto the west facing back yard paradise with mature flowering plants and a large patio. The master is large and spacious, the two bathrooms have been RECENTLY RENOVATED and there's a large two car attached garage. The plumbing has been replaced and the windows were also upgraded in 2009. This home is bright, clean, and ready to welcome its next family.
