Description

Wow! A spacious BRAND NEW duplex in one of the quietest yet most convenient areas on the prestigious West Side of Vancouver. Immediately upon entering you can tell that no expense was spared in creating the most luxurious yet highly functional home. Light pours in through the high end Westeck windows illuminating the spacious living room, dining room and chef's kitchen which features luxury FOLGOR stainless steel European appliances and a large island / bar! Upstairs features three large bedrooms which look out all the way to Mt. Baker and two beautifully appointed bathrooms. One covered parking in your privately walled garage with plenty of street parking. High end materials, impeccable craftsmanship, unbeatable location. Call to see this listing at your convenience.
