THE BROADWAY
915 sq. ft

Broadway, "The Great White Way", is the oldest north-south main thoroughfare in New York City. The street is renowned as the centrepiece of the American stage theater industry. From the most southern to the northern most point of New York, Broadway connects the entire city while representing the diverse qualities of the many neighbourhoods it transverses. Broadway is not only the home of Times Square but is lined with countless classic architectural works of interest and beauty.
