

**CERTIFICATE**  
**OF RESIDENTIAL BURIED FURNACE-FUEL**  
**STORAGE TANK INVESTIGATION**

\*\*\*please see attached disclaimer of liability\*\*\*

Customer : **Debbie Thomas and Heidi Oetter**  
Investigation Site : **885 East Georgia Street, Vancouver, British Columbia**  
Legal Description: **Block 82, District Lot 181 LD 36 Plan BCP8013**  
**P.I.D. 025-781-693**

Date of Investigation: **15 June 2015**  
Conducted by: **Special Needs Consulting Service Inc.**  
**d.b.a. SNR Tank Removal Service**

This Company, of which I am the President, was Incorporated in British Columbia in 1996. Since that time, I have personally conducted more than 1000 buried furnace-fuel storage tank investigations, of varying difficulty, in the District of North Vancouver, the Municipality of West Vancouver, and the Cities of Burnaby, New Westminster and Vancouver.

***Investigation Results for Inactive Buried Furnace-Fuel Storage Tanks***

Investigation has satisfied me that **no buried furnace-fuel storage tank now exists** at the property of the above stated address. Methods employed for this investigation include:

Visual investigation of the above property  
Manual probing of the above property  
Electronic metal detection survey of the above property  
Canvassing neighbours

I have issued another copy of this Certificate to the **City of Vancouver, Environmental Contamination Team**, 201 - 422 West 12<sup>th</sup> Avenue, Vancouver, British Columbia.

Dated : **19<sup>th</sup> day of June 2015.**

Signature of investigator : .....
